CHRIS HUGHES TAX COLLECTOR OKALOOSA COUNTY

Notice of Tax Certificate Sale for 2008
and Any Other Tax Years Applicable.

TAX CERTIFICATE SALE RULES

■ The Okaloosa County Tax Certificate Sale in 2009 will take place on Monday, June 1, 2009. All bids must be submitted on the Tax Collector's tax certificate auction web site, www.BidOkaloosa.com (the "Web Site"). Bidders will be able to submit bids at any time from May 11, 2009, through the close of the sale. The auction will consist of one batch closing at 9:00 a.m. CDST.

■ All buyers must be registered and receive individual bidder numbers prior to bidding. Before bidder numbers are assigned, bidders must complete both the Registration and IRS W-9 Forms online at www.BidOkaloosa.com. There will be only one bidder number assigned to each Social Security number or Tax I.D. number.

■ Foreign buyers must have an ITIN (a taxpayer identification

number) to participate. To obtain an ITIN number, foreign buyers must complete a W7 Form and submit the form to the IRS.

■ All certificates will be sold in sequential order as shown on the advertisement list published in the newspaper, and in accordance with the batch schedule appearing on the summary page of the web site. No certificates will be sold out of sequence.

■ Bids are entered on the web site in the form of interest rates with a maximum permitted rate of 18%, a minimum of 0.0%, and increments of 0.25% in between. The bidder submitting the lowest rate wins. Every bid submitted will be treated as a proxy bid, resulting in award to the lowest bidder. A bid for any certificate may be withdrawn by the bidder at any time prior to the time the related

batch closes, which is in accordance with the batch schedule. Bidders will not be able to see competing bids (a "sealed bid") prior to the close of each batch.

■ The face amount of each certificate is equal to delinquent taxes plus penalties and costs, as advertised, which is the amount due for each certificate purchased.

■ Unofficial results of the sale will be accessible by all registered users immediately following the close of each batch. Each winning bidder will receive an official list of certificates purchased from the Okaloosa County Tax Collector's Office which will serve as formal evidence of all certificates awarded to the bidder through the Internet auction.

■ The Okaloosa County Tax Collector requires that all bidders submit a deposit

PRIOR to bidding in the auction. Deposits

must be made electronically (ACH), in US funds on a US banking institution via the web site. Check with your banking institution for restrictions and instructions on ACH processing. Bidders will be limited to purchasing no more than 10 times the value of their submitted deposit. Winning bids by each bidder will be awarded in sequential order, until the bidder's budget is exhausted, at which point no further bids will be submitted by the system on such bidder's behalf. Deposits will be credited toward the amount due for certificate purchases. If the deposit exceeds the amount due, the balance will be refunded electronically to the depositor's bank account via ACH on or about June 12, 2009. Notification by email will be sent when refund has been issued.

■ **Final payments due** for certificate pur-

chases must also be submitted/authorized electronically via the web site **no later than 5:00 PM Central Time** on Wednesday, June 3, 2009, following the Tax Certificate Sale.

■ The winning bidder's name as it appears on the W-9 page of the web site will appear the same way on the tax certificates they purchase. All redemption notices and related payments will be mailed to the address shown on the W-9 page. Subsequent changes in mailing address for certificate holders must be entered on the W-9 page if made before or during the actual sale. After the sale closes via the web, ALL changes to certificate holder's information MUST be made through the Okaloosa County Tax Collector's Office, 151-C Eglin Pkwy, NE, Ft. Walton Beach, FL 32548-4488.
