**Shalimar, FL** – The Okaloosa County Tax Collector’s Office is now offering walk-in U.S. Passport services in their Shalimar Branch Office. Passport services currently offered include original application and photo processing. “Our partnership with the U.S. Department of State began just over a year ago with us offering passport services in our Niceville Office. We were thrilled by the overwhelming response from the public and expect the extension of these services in Shalimar to be a welcomed addition to our citizens” states Tax Collector Ben Anderson. “If you’re a U.S. Citizen whose never had a passport and are planning to travel outside of the United States, our Passport Professionals would be delighted to assist you. If you want to make an appointment at our Niceville location, you can still do that, or if you want to walk-in to Shalimar, that option is now available to you” Anderson continued.

For customers looking to acquire a U.S. Passport, there are specific documents needed for processing the application. The Okaloosa County Tax Collector’s Office offers a full list of the necessary documents at [OkaloosaTax.com](http://OkaloosaTax.com). For the convenience of our citizens, passport services in the Shalimar office location are by walk-in only. Upon arrival at the Shalimar location, customers are asked to follow the signage to the passport waiting area where they will check-in at a kiosk. A Passport Professional will then assist in the transaction.

If you prefer to schedule an appointment at the Niceville Office, please visit [OkaloosaTax.com](http://OkaloosaTax.com) or call #TAX (#829) from your mobile phone to book an appointment. Anderson concludes, “The Okaloosa County Tax Collector’s Office is dedicated to serving the great citizens of Okaloosa County. We hope by offering additional services, such as passports, our customers can quickly and efficiently go through the process of obtaining their U.S. Passports.”
