“We recognize that there is a backlog of Driver License services to provide, and our focus is to get caught up,” states Tax Collector, Ben Anderson. “Customer’s needing Driver License and ID services should visit OkaloosaTax.com and click the “Driver License Appointments” button at the top of the page to simply schedule an appointment for the time and location of their choice.”

Anderson continues, “In compliance with CDC guidelines, we have prepared for social distancing practices in our office lobbies. For extended safety of all involved, customers will be required to wear a facemask, have a temperature screening, and only those with appointments will be allowed into our lobbies. For greater efficiency and timeliness, customers should not arrive more than 20 minutes before their appointment. Family and friends will be asked to remain outside.”

A comprehensive list of requirements will be provided at the time of the appointment booking and as part of the appointment confirmation email. Additionally, customers are urged to check the “What to bring for your Driver License” link when booking their appointment to make sure they have the proper documentation when they arrive for their appointment.
