

The Sheriff's Choice Award

Presented by:

The Okaloosa County Sheriff's Office

The Okaloosa County Sheriff's Office has partnered with the Kids Tag Art program. As a part of their education and crime prevention platform, we are offering a special judging category for your students — The Sheriff's Choice Award! Those who choose to participate in this category have the opportunity to be recognized as an Award of Distinction winner!

Criteria for judging:

Along with the same Award of Distinction design guidelines, this category will also be judged on pictures that describe Law Enforcement partnering with our Community. Examples include, but are not limited to: Images that describe activities or symbols that best represent the theme. The Sheriff's Choice Award is meant to encourage students to design a creative tag that communicates a positive message. The Sheriff and/or an appointed representative will be the Judge of this award.
