

Helpful Hints

- Specialty license plates vividly demonstrate the use of art in commerce.
- These worthy causes raise money when motorists purchase a design they want to display on their car.
- The brighter and more clear the design, the more eye-catching on the road.
- Use bright colors; markers or paint!
- Discuss composition with students.
- Simple and colorful designs work best.
- Take the color past the edge of the template.
- Do not use slang words.
- Do not use copyrighted images (UF, FSU, Nike logo, etc.).
- Use of copyrighted images or symbols/logos is trite and constitutes plagiarism.
