

Handyman Disclaimer

You have applied for a Business Tax Receipt to perform Handyman work. Please understand that this Business Tax Receipt is not a Contractor's License. Further understand that a Handyman Business Tax Receipt only allows casual, minor or inconsequential work (i.e. painting, trim work, repair sheetrock etc.). When a handyman moves from the realm of minor repairs to structural repairs or construction work that he or she is not authorized to do, they are entering the area of unlicensed activity and are subject to prosecution. Examples of work that may or may not be allowed are listed below.

The definitions of casual, minor and inconsequential work shall be as determined by the Building Official.

NOTE: THESE ARE EXAMPLES ONLY:
